The slide features five light purple circles arranged in two rows. The top row has three circles, and the bottom row has two circles. The text is centered within these circles.

Wernicke's aphasia

aka posterior aphasia
aka receptive aphasia

Introduction

- Imagine your favorite doctor joke.
- They usually begin with “a guy walks into a doctor’s office ...”
- Now imagine that the guy, or woman, is a patient with Wernicke’s aphasia ...
