

The Bond Agent System (1)

EEL 5937 Multi Agent Systems

Lecture 8, Jan 30, 2003

Lotzi Bölöni

Origins

- **Bond 1 - 1995-96, TCL based agent system**
 - Purdue University
 - Structural biology applications
- **Bond 2 - 1996-2001**
 - Purdue University
 - Java based, general purpose distributed object system and agent framework
 - Handwritten communication frameworks, persistency models etc.
 - Introduced the notion of “agent surgery”
- **Bond 3 - 2002-...**
 - General purpose agent system
 - Testbed for agent research
 - Integration of best of breed technologies

Architecture
