  - **Please, turn off ALL ELECTRONICS**
    - I will count a student absent for the day if I see the student using electronic devices
  - **Sign-up for a health news article**
  - **Post your picture and answer the questions I posted on eLCNew by end of Jan 14 (3 points extra credit)**
  - **Say your name when you make a comment/ask a question**
  - **Any questions?**

## Course Requirements: Make Up Policy

- **Exams (300pts)**
  - 4 given, but lowest score will be dropped
  - Therefore, **NO MAKE UPS.**
- **Assignments (150pts)**
  - Three given, **NO DROPS and NO MAKE UPS.**
- **Group Project (150pts)**
  - Must be present during presentations (both yours and others)
- **Attendance/Participation (100pts)**

## Health News Articles...

- Individual Assignment
- Article can be on any health-related topic, and must not be more than *3 months old*
- Sign up to present articles on specified days
  - It is in your best interest to volunteer early in the semester to ensure you do not forget to present your article.
- **It is the student's responsibility to make sure they have presented a health news article before the final day for article presentations.**
- While presenting the article
  - state the source of the information, a summary of the content, what (in your opinion) are the two most important things in the article and a discussion question.
- **Material presented in the articles may show up on in-class quizzes or exams.**
