http://www.recsports.uga.edu/rec_template_1.php?page_ID=1241718070
3. **Critique a health documentary (~1pg single space, write what is documentary about, main points, what did you like most – why?, what you did not like or think could have been addressed some other way)**
<http://topdocumentaryfilms.com/category/health/>
 - 7 points for excellent critique
 - 5 points for good critique
 - 3 points for average critique

ANY SUGGESTIONS???

- Check with me first to make sure it's health and wellness related

Announcements: Online Class on March 27th

- **NO in-class meeting on MARCH 27th.**
- **NEED** to complete an online project for that day.
- Go to Content – March 27 Online Assignments folder. It contains 2 videos (CVD and tobacco). Watch the uploaded videos (~ 30 min each). **NOTE: If you have difficulty with watching the video online, download it to your computer first, and then watch it.**
- Answer the "Smoking Lecture questions" and "CVD questions" uploaded in the same folder. Give short answers (single space, 1 page).
- You will need to submit the answers in elcNew dropbox Online Assignment-CVD-Smoking folder by **March 29.**
- **Grading**
 - Smoking answers are worth 7 points on your participation grade.
 - CVD is worth 7 points on your participation grade.
- **Both Assignments are MANDATORY!**
 - In case of no submission you will get **point deduction** from your grade (- 7 pts from participation for each missed assignment)

Group Project

- Group Project (150pts)
 - Assigned to groups of 4-5 students
 - Presentations begin 4/17
 - Topics by 2/26
 - Outline by 3/7
 - **Rough draft by 4/1**
 - 15-25 minutes maximum
 - Creativity encouraged
 - Meet group members in-class
