

ECE 4371, Fall, 2009

***Introduction to Telecommunication
Engineering***

Zhu Han

Department of Electrical and Computer Engineering

Class 1

Aug. 25nd, 2009

Outline

- Instructor information
- Motivation to study communication systems
- Course descriptions and textbooks
- What you will study from this course
 - Objectives
 - Coverage and schedule
 - Homework, projects, and exams
- Other policies
- Reasons to be my students
- Background and Preview

Instructor Information

- Office location: Engineering 1 N324
- Office hours: Mon. 2:00pm-5:00pm, Other time including weekend by appointment
- Email: [**zhan2@mail.uh.edu**](mailto:zhan2@mail.uh.edu)
- Phone: 713-743-4437(o), 301-996-2011(c)
- Course website:
<http://www.egr.uh.edu/Courses/ECE/ECE4371/ECE4371.html>
<http://www.egr.uh.edu/Courses/ECE/ECE4371/ECE4117.html>
- TA: Zhou Yuan, talentyz@gmail.com
- Research interests:
Wireless Networking, Signal Processing, and Security
