

Quoting, Summarizing, and Paraphrasing

Appendix E

Sources

Summarize: • Be brief. • Reflect key facts or ideas. • Help readers understand context. • Do not insert personal views. • Write in your own words, except for quotations.	<i><Insert full article summary.></i> <u>Drugs and crime are two major harms in society that are commonly linked together to show contrast and comparison. Both produce negative actions and results and create a serious threat when combined. ("How Are Drugs and Crime Related?," in Drugs, Crime and the Justice System, U.S. Department of Justice, Bureau of Justice Statistics, Washington, DC, 1992).</u>
