

**Feedback** You're off to a good start. A course grade of 70% is required to request a transcript. You've met that for the first quiz already, but if you want to reattempt for a higher grade you can retake this assessment (only the first graded assessment in this course can be retaken). Study hard for each quiz, and consider using tutoring anytime you get stuck. Remember that 10 hours of tutoring are provided to you through your StraighterLine membership.

A representative sample

Select one:

- a. is an impossible research goal to achieve.
- b. is a sample that accurately reflects the composition of the people being studied. ✓
- c. means the researcher hand-picks the research subjects.
