

You Can Build Forms Too!

Objective

- Expand on programming concepts
- Learn how to make a simple form
- Incorporate html concepts
- Use the template to create more involved forms

Conversion Forms

- http://coinmill.com/EUR_USD.html#EUR=1
- <http://curezone.com/conversions.asp>
- <http://www.kgtolbs.com/>
- <http://www.wbuf.noaa.gov/tempfc.htm>
