

Intro to Computer Science II

CS112-2012S-07

Building Larger Programs

David Galles

Department of Computer Science
University of San Francisco

07-0: Announcements

- Labs 1 and 2 to be returned today, see me if you have any questions
- Late policy shift, starting with Project 1: 50% reduction until 24 hours after due date
- Style requirement
- Academic Honesty
 - What is allowed?
 - What is not allowed?

07-1: Academic Honesty

- What is allowed: You may talk with other students about:
 - Generic Java: how classes work, how control structures (*while/for/if/etc*) work, etc
 - Anything covered in class, in the textbook, etc.
 - Assignment requirements: What your code should do, what input/output should be, etc.
 - *High Level* algorithms (Example: inserting into sorted array)
