MATH 108-04 Trigonometry — Fall 2011
MTWRF 9:10am - 10:00am (CUE 119)

Instructor: Matt Labrum

Email: mlabrum@math.wsu.edu

Office: Neill 222

Office Hours: -TWR- 10:10am - 12:00pm, and by appointment

Main Webpage: <http://www.math.wsu.edu/students/mlabrum/welcome.html>

Text *Precalculus, at Washington State University Custom Edition by J. Coburn*

Tip: Reading the material before each class will be greatly advantageous and is strongly recommended

Course Topics §2.1, Ch. 5, 6

Homework There will be eight problem sets assigned, of which the seven highest scoring will be counted.

ALEKS Six progress checks (from the learning mode of ALEKS) will be made throughout the semester.

The progress targets and due dates (the cut-off time for each date is 11:59pm) are

Check	1	2	3	4	5	6
Target (out of 66 topics)	11	22	33	44	55	66
Target (percentage complete)	17	33	50	67	83	100
Due Date	28 Oct	4 Nov	11 Nov	18 Nov	2 Dec	9 Dec

For each progress target that you reach by the due date, you will earn five points. If you do not reach the target you will receive a percentage of the five points corresponding to the percentage of topics you have completed out of the number due.

Quizzes There will be five quizzes, of which the four highest scoring will be counted.

Exams There will be one midterm exam and one comprehensive final exam. Exams will be closed book, calculators will not be allowed, and your student ID will be required. The dates, times, and locations for the exams are

	Date	Time	Location
Midterm	Mon., 14 November 2011	6:00pm - 7:15pm	Todd 116 (Todd Aud)
Final	Fri., 16 December 2011	3:10pm - 5:10pm	Fulmer 226

If you will be absent for an exam, it is your responsibility to let me know ahead of time. If it is an excused absence, we will set up a time for you to complete the missed exam.

Grading Grades will be based on the following points distribution:

	Each	Total
Homework	10	70
ALEKS Progress	5	30
Quizzes	25	100
Midterm Exam	100	100
Final Exam	150	150
		450

¹Current version produced on 5 December 2011 at 2:17pm

Study Assistance There are a number of options available for study assistance. Some examples include, but are definitely not limited to, my office hours, study groups with your classmates, your text, your text's Student Solutions Manual, and the following:

Option	Location	Hours
Math 108 Study Hall	Neill 5W	Mon. - Thu., 7:00pm - 9:00pm
Computer lab open hours	Neill 120	Mon. - Thu., 5:00pm - 7:30pm
eTutoring.org	Website	24/7
Math tutoring	Stephenson Down Under	Mon. - Thu., 12:00pm - 2:00pm

Academic Integrity Don't cheat – it's about that simple. Any evidence, even questionable, of cheating on any homework assignment, quiz, or exam, will result in a zero on that particular item and I will retain such evidence while further action is considered. If there is strong evidence of cheating, it will be referred to Student Affairs.

WSU Safety Measures WSU is committed to maintaining a safe environment for its faculty, staff, and students. Please visit <http://safetyplan.wsu.edu> and <http://oem.wsu.edu/emergencies> to access the Campus Safety Plan and emergency information. Also, information about emergencies and other issues affecting WSU may be found at <http://alert.wsu.edu>.

Disability Accommodation Reasonable accommodations are available for students with a documented disability. If you have a disability and may need accommodations to fully participate in this class, please visit the Access Center (Washington Building 217) to schedule an appointment with an Access Advisor. All accommodations MUST be approved through the Access Center.
