

# **Digital Forensics**

**How do you detect that a  
problem has occurred?**

**Prof. Bhavani Thuraisingham**

**The University of Texas at Dallas**

**September 2, 2009**

**Lecture #4**

# Outline

- 0 **Data mining overview**
- 0 **Intrusion detection and Malicious code detection (worms and virus)**
- 0 **Digital forensics and UTD work**
- 0 **Algorithms for Digital Forensics**

# What is Data Mining?
