

# 1999 Summer Journaling

- Part One: First Day Journaling
- Part Two: Weekly Discussion Questions

# Why Should You Care About This?

- Help gather information for fall E140C presentations
- Compare and contrast different startups
- Help you reflect on your summer experience

# Teaching Objectives

- Help you connect theory you're learning this quarter with the diversity of “realities” in Valley startups.
- Stimulate discussion about startup life.
- Give you a basis of comparison for your own experience.
