---

# Details

- At some point, one has to sit down and describe the details of what happen.
  - So:
    - Who writes Use Case Descriptions
    - Getting Started
    - Managing Detail
    - Summary
-

---

# 1. Who Writes Use Case Descriptions?

- Primarily an individual activity.
    - Sometimes a pair – each reviewing other's work
    - Sometimes a small team work on related sets of use cases
  - Mentoring Approach needed – regardless
    - From more experienced team members.
    - Maybe a consultant providing expertise
    - Organization needs to develop its own experts.
    - An internal 'writers group' to share experiences
  - Reviewing Use Cases – a group activity!
-
