Hey just checking in on my last e-mail.

UB needs your help to be a notetaker. Can you help?

In short, you'll get paid to do what you're already doing in class (taking notes) and you'll be helping classmates. Plus we'll really appreciate it. Are you down? Let me know and I can send along some more details.

Really appreciate you taking time to respond to this.

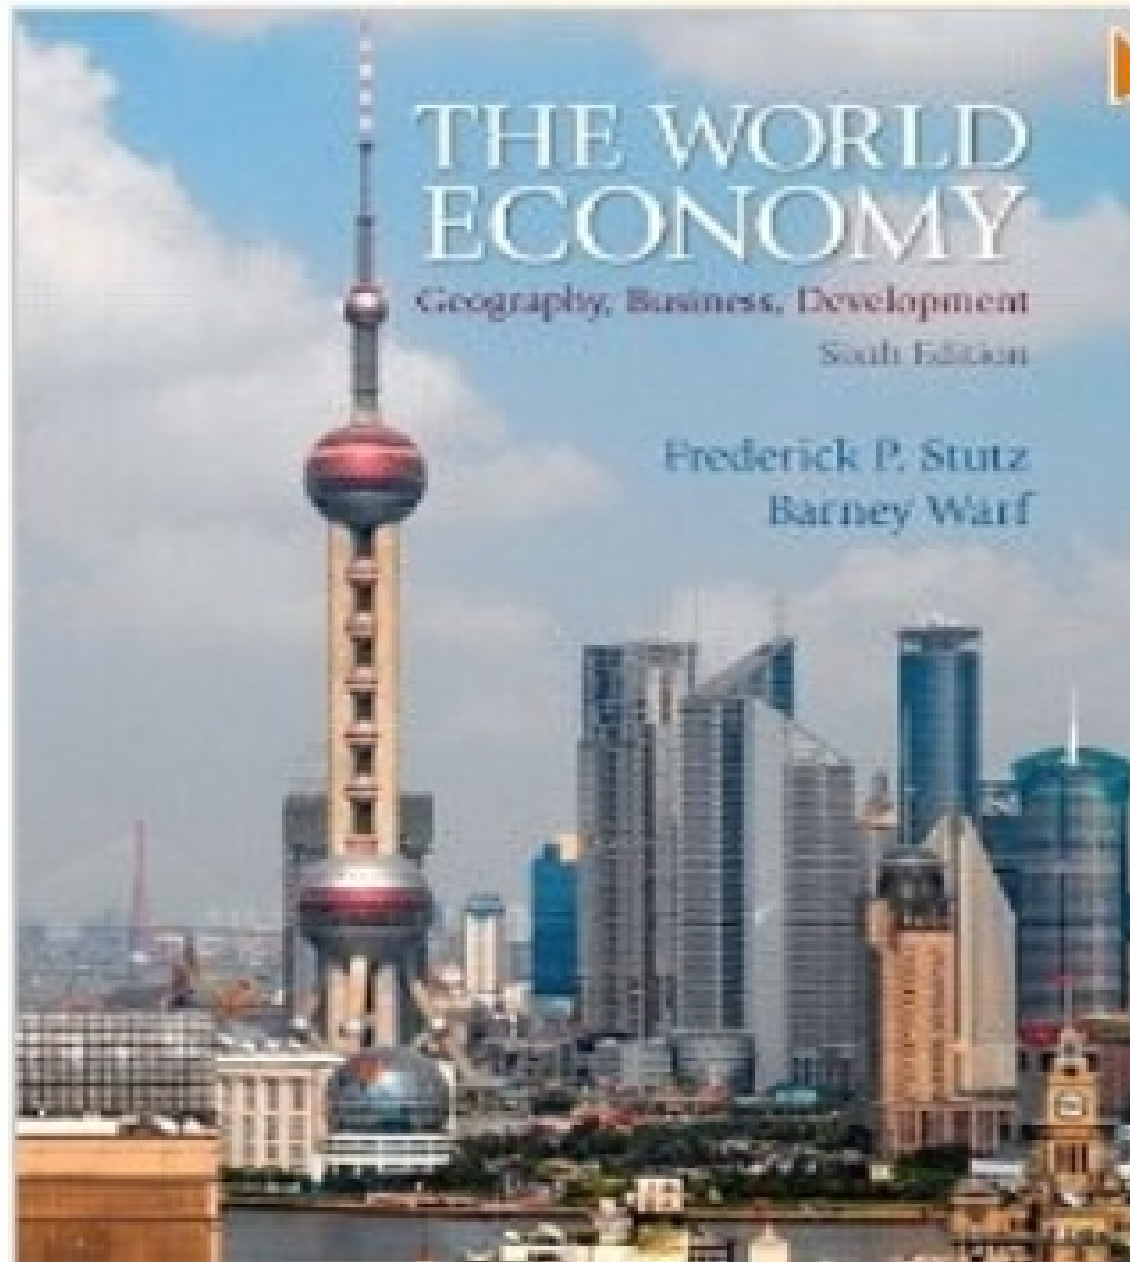

Have an awesome day,

Steph
