

A satellite view of Earth from space, showing the Western Hemisphere. The Americas are visible on the left, and the Atlantic and Pacific Oceans are on the right. The text is overlaid on the image.

Energy and the Environment

Lecture 11

PHYS/ENVS 3070

Professor Dmitri Uzdensky

As years go by, the proven oil reserves of a given country:

- (A) generally increase;
- (B) generally decrease;
- (C) bizarre things happen to them.

Announcements:

- Read **Chapter 2**.
- **CAPA** Homework #3 due tonight, Sept. 19, 11pm.
