

A FEW HAPPY NOTES!!!

- Nice job getting lab assignments in on time!
- Awesome group work!
- Remember—just because you run your analysis differently does NOT mean you ran it incorrectly!!!
- Assignments will be graded ASAP, but be patient...
- DON'T PANIC

Lab 3

Correlation!

CORRELATION

- Bivariate Correlation: descriptive statistic that indexes the degree of linear relationship between two variables
- Pearson Correlation
- Significance
 - High probability the two variables are linearly related
 - p value: the smaller the p, the more likely there *is* a relationship!
