Instructions

This quiz covers Chapters 7 and 8. This course has similar weekly quizzes in weeks 2-11. This quiz has ten questions (5 per chapter) drawn from a large question pool; each question is worth four points. The questions are based on last week's reading assignment, so it normally is wise to take this quiz early in this week while that reading is fresh in mind.

QUIZ INSTRUCTIONS AND SETTINGS: 1) You can only submit once, so do not click "submit" until you have finished the quiz to your satisfaction. The quiz is not set to allow a retake. 2) There is no time limit, so you do not need to worry about going over a time limit. If you have a technical issue that drops you out of the quiz, you can go back in as soon as your connection is ready. Also, for example, you can answer two questions on one day and save and come back and resume another day until you finish. However, experience shows that the students who do the best will do this in one sitting; it is not a long quiz. 3) You will see only one question at a time, but you are allowed to backtrack and change answers as long as you have not submitted. 4) There is a deadline of 9am Monday morning after this week unit is over. You must submit by that deadline. Reminder: Do not click "SUBMIT" until done; there is no re-taking of the quiz after that."
