

## PHY 2054: Physics II

---

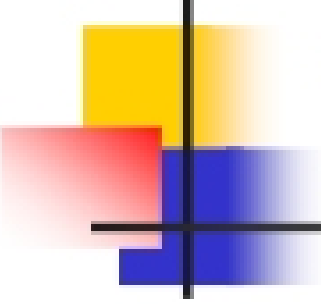

- HITT scores were mailed over the weekend. They will be mailed once a week.
- Hopefully all webassign problems have been solved. Please see me immediately after the class if there is still an issue.
- SI meetings have begun. See the course website for time and place.

## PHY 2054: Physics II

---

- About bicycle riding: If some one shows you a trick, it means that,
  - It is possible to do that trick
  - The person who showed you, can do the trick.
  - It does not mean that you can do the trick.
- Practice it a lot of times and you can too.

# PHY 2054: Physics II

---

- Potentials
  - equipotentials
- Capacitors
  - $Q = C \Delta V$
- Arrangement in a circuit
