- Released for Dreamcast in 2002
- Finally released for Gamecube in 2003
- Made by Treasure/Atari
- Bargain bin price
- There are 5 levels, each lasting about 4-5 minutes.

Game info

- Top-down space shooting game similar to space invaders or Galaga.
- Objectives of the game are:
 - Survive
 - Achieve the highest score possible.
- Easy to learn, very difficult to beat.
- All enemies in the game are either black or white, and fire black or white bullets.
- You fly a ship that can flip between black or white.
- Hitting bullets of the opposite color or other objects kills you.
