

# Streams: Infinite Data

CMSC 11500

Introduction to Computer Programming

November 15, 2002

# Roadmap

- Administration: Midterm Results
- Streams
  - Motivation: Large => Infinite Data
  - Delayed evaluation
    - Laziness is a virtue
    - Delay/Force
  - Stream data:
    - Constructors, Selectors
    - Functions

# Midterm Results

- Mean: ~82
- Standard Deviation: ~13
