“...RADIX-50??...”

File System (Interface)

Nov. 10, 2004

Dave Eckhardt

Bruce Maggs

Synchronization

Today

- Chapter 11, File system interface
 - Ok to skip: remote/distributed (11.5.2!!)

Also read Chapter 13

- Mght help demystify `readline()` some

Synchronization

Two interesting papers about disks

- http://www.seagate.com/content/docs/pdf/whitepaper/D2c_More_than_Interface_ATA_vs_SCSI_042003.pdf
- Google for “200 ways to revive a hard drive”
