What is Google?

“The perfect search engine”-it understands exactly what you mean and gives you exactly what you want.

Larry Page and Sergey Brin founded Google in 1998

Google's 10 Things

1. Focus on the user and the rest will be done alone
2. It is better to do one thing really well
3. Fast is better than slow
4. Democracy on the web works
5. You need not be at your desk to get an answer
6. You can make money without doing evil
7. There's always more information out there
8. The need for information crosses all borders
9. You can be serious without wearing a tie
10. Great is not enough
