

CHEM-342

Introduction to Biochemistry

Spring Semester
First Class
Prof. Hal White

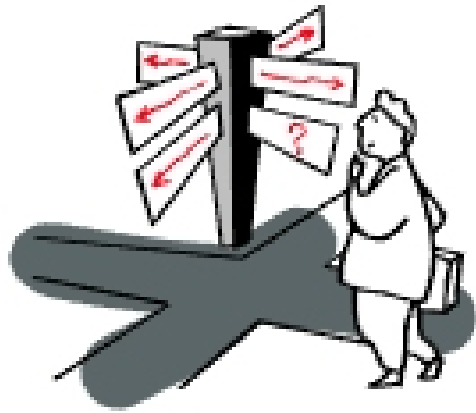

HHMI
HOWARD HUGHES MEDICAL INSTITUTE

“...once you have learned to ask questions - relevant and appropriate and substantial questions - you have learned how to learn and no one can keep you from learning whatever you want or need to know.”

Neil Postman & Charles Weingartner
in *Teaching as a Subversive Activity*, 1969

Teaching as a Subversive Activity

Question
Authority

1. A major goal of higher education is to enable students to think independently.
2. Independent thinkers seek understanding.
3. Independent thinkers challenge superficial answers.
4. Independent thinkers develop strong convictions.
5. Independent thinkers question authority.
6. Independent thinkers become leaders.
7. If you don't change as a result of taking this course, we are wasting our time.
