

**Kenrick, Sadalla, Groth, & Trost (1990)**

**Kenrick, Groth, Trost & Sadalla (1993)**

- Students in these series of studies were asked:
  - What is the minimum percentile of intelligence you would accept in considering someone for:
    - A DATE
    - A SEXUAL PARTNER
    - A ONE NIGHT STAND
    - A STEADY DATING PARTNER
    - A MARRIAGE PARTNER

# Minimum Intelligence Desired

Women desire slightly above average for a single date

DATE
