Astronomy 102, Autumn 2009

# Atoms & Matter

Lecture 2, Oct. 6

Astronomy 102, Autumn 2009

# Questions of the Day

- What is the structure of an atom?
- How do elements differ from each other?
- What are the four basic states of matter?
- How do they depend upon temperature?
- What is the condition of atoms in the various states of matter?
