

A spiral-bound notebook with a light-colored, textured cover and a grid pattern on the pages. The spiral binding is on the left side. The text is centered on the page.

CGS-3460
Programming in C
Midterm

Material

- Chapters 1-10 of the textbook.
- PowerPoint Lectures 1-10.

The Exam

- NO true/false, multiple choice questions.
- Questions intended to show expertise (not just basic understanding) developed by conscientious work on homeworks, and studying the material.
- You need to know not only what there is in the C language, but how to use it.
