Mission

- The mission is simple:
 - “to end hunger in South Georgia
 - to create a means to easily and affordably access food for every person in South Georgia
 - to feed children and provide a safe environment for children to grow and learn
 - to provide the means to rescue and safely store all donated excess food in our region
 - To ensure that every community that relies on the services of America's Second Harvest of South Georgia, Inc. is adequately assisted in the fight against hunger.”
