This Is a Hard Class

- Traditional hazards
 - 410 letter grade one lower than other classes
 - All *other* classes this semester: one grade lower
- Aim
 - If you aim for a B you might not get one
 - If you aim for a C you might not get one
 - “I’ll drop if I can’t get an A”
 - You *must* discuss this with your partner *early*

This is a *Transformative* Class

- Genuine achievement, available to you
 - What is an OS, *really*?
 - Mutual exclusion, synchronization, concurrency
 - Deadlock
- Design, planning
- Serious competence in debugging!
