

The background is a green chalkboard. In the lower-left foreground, two pink pieces of chalk are lying on the surface. Faint white chalk drawings, including a large 'V' shape and an arrow, are visible on the board. The text is centered in the upper half of the image.

ASP.NET 2.0 Caching Techniques + Ajax Overview

**Rahul Deshmukh
CIS 764 – Database Design**

Outline

- Basics of Caching
- Caching Features in ASP.NET 2.0
- Performance difference by using cache
- ASP.NET Ajax Architecture
- Difference between Caching and Ajax
- Demo of
ASP.NET Sample website that using Cache
Ajax Website
