

Test Review 4 Part 2

Technology of Exploration

The *Caravel*: Sailing against the Wind

- **Lateen Sail**
 - Replaced earlier “square” rigging
 - Adopted from Islamic designs (Egypt)
 - Tack *into* the wind
- **Greater capacity**
 - No oars like galley
 - Lower draft = more cargo
- **Open Water**
 - Galleys always stayed near land
- “Weighing the Evidence”: ***The Mataro Model***
