Menu

- Problem Sets 2 and 3
- Pegboard Puzzler

Problem Sets

- Not just meant to review stuff you should already know
 - Get you to explore new ideas
 - Motivate what is coming up in the class
- The main point of the PSs is ***learning***, not ***evaluation***
 - Don't give up if you can't find the answer in the book (you won't solve many problems this way)
 - Do discuss with other students
