

MATSE 259

Properties and Processing of Engineering Materials

Christopher L. Muhlstein, Ph.D.

Department of Materials Science and Engineering
The Pennsylvania State University
University Park, PA

The contents of this lecture are protected under U.S. copyright law and should not be duplicated or redistributed for commercial purposes.

Today's Lecture

- Administrative issues (syllabus, etc.)
- Introduction to materials engineering

Instructor and TAs

- Instructor: E. Ryba
 - e-mail: ryba@ems.psu.edu
 - Office: 122 Steidle Bldg.
 - Office Hours: by appt.

I will be teaching this course through 1/26/07 (when Prof. Ryba is back from China).

- TA: Youngho Jin
 - e-mail: yuj107@psu.edu
 - Office: 225 Steidle Bldg.
 - Office Hours: Wed. 1:30-3:30PM

- TA: Sameet Nabar
 - e-mail: ssn116@psu.edu
 - Office: 211 Steidle Bldg.
 - Office Hours: Mon. 10AM-12 noon
