

# SECME Project

- Vamsiravali Kaza
- Naveen K. Pinnama Reddy
- Harish Ramakrishnan
- Yu "Andy" Wu

# SECME

- The SECME (Science Engineering Communications Mathematics Enrichment) program was established in 1975 by the Deans of Engineering from six Southeastern Universities.
- SECME is a pre-college program that focuses on the preparation and motivation of students who will follow an engineering or technical career

# Project Overview

- The purpose of this project is to create a database designed to track a student through the Central Florida SECME Program.
- It will also catalogue teachers, school systems, and school performance. It will also provide a facility for MECSP to input and edit information.
