

CMSC 424 – Database design
Lecture 23
Recovery

Mihai Pop

Admin

- Signup sheet for project presentations: contact Sharath ASAP
– also check forum
- Course evaluation:
<http://www.CourseEvalUM.umd.edu>
- Additional queries (deadline – your demo day)
- Find the authors, their skills and education, of the top 5 highest cited publications.
- Find the most accomplished author in your database. (Use any ranking function for "accomplishment" : e.g # of Papers + # of awards)
