

Operating Systems CMPSC 473

Exam 1 Review

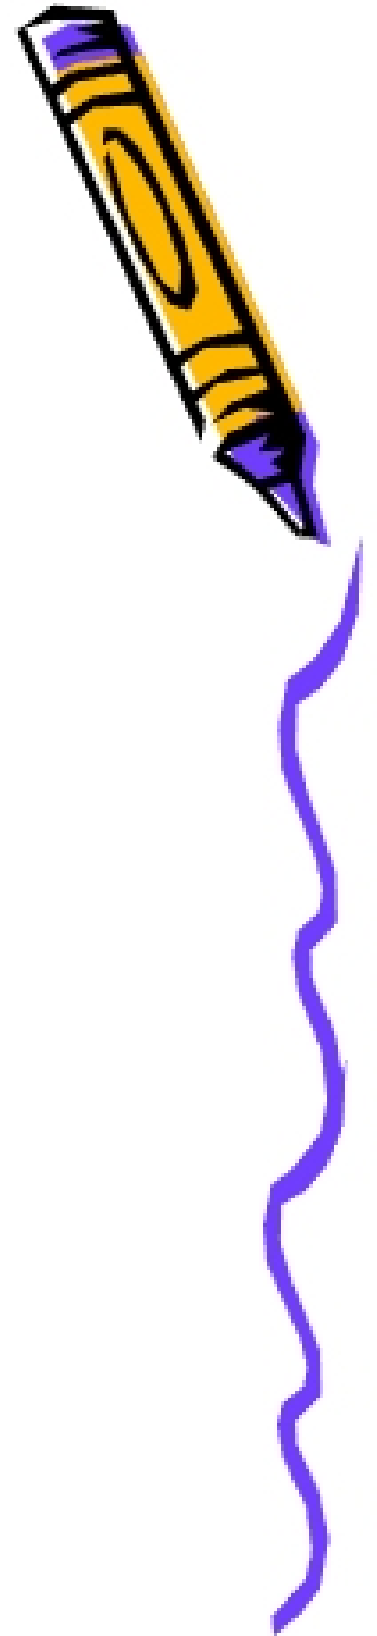

February 17, 2009 - Lecture 10

Instructor: Trent Jaeger

- Exam Structure

- (7) Short Answer (1-3 sentences)
 - 3-4 pts each
- (3) Long Answer (3 paragraphs max)
 - 7-8 pts each
- (5) Constructions (several related, small questions)
 - 8-12 pts each

- Exam Structure

- (7) Short Answer (1-3 sentences)
 - How and what questions
 - How does X work? Why do X?
 - What is Y? Explain briefly.
- (3) Long Answer (3 paragraphs max)
 - How and why questions
 - How and why does X work that way?
 - The ‘why’ may be implicit, but do not assume that I know that you know how these work
- (3) Constructions (several related, small questions)
 - Specific questions about OS mechanisms/concepts
