

REVIEW FOR EXAM 1

CH. 20-22

Prof. Stephen Sekula

9/21/2010

Supplementary Material for
PHY1308 (General Physics -
Electricity and Magnetism)

PROGRAM

- Strategies for the Exam
- A Brief Reminder of the Concepts
- Open forum for questions and discussion

STRATEGIES - 1

- What to prepare
 - an 8.5x11-inch "help sheet" containing formulas, concepts, etc. Front and back is fine
- What to bring
 - A pen or pencil
 - A calculator (you will not be allowed to use your neighbor's calculator)
