

The Colorado River

Terrascope Group 1

History

- Ecology of the river in the past and in the present
- Colorado River Compact 1922
- Past and present use - major projects along the river
- Physical history - climate and its effect over the last century (Link Group 2)

Flow Measurement & Distribution

- Control and measurement of flow
- Water rationing – equitable distribution (Who gets the water?)
- Irrigation (Link Group 4)
- Diversions and canals
- Output to Mexico (What can be done about it?)
