

Today's Quote

"There is a grandeur in this view of life... that, from so simple a beginning, endless forms most beautiful and most wonderful have been and are being evolved."

Charles Darwin, *The Origin of Species*, 1859

born Feb 12, 1809

Announcements

Special help session, "Taking multiple-choice exams"

Friday afternoon, Rm 310 ATG, 2:30-3:30pm

incentive: 20 or less (of 37): 2 points
 21 or 22 : 1 point

Clicker questions

Beginning today, student participation in the "clicker" questions will be used every day as part of your grade.

If you forget your clicker, you may write out your answers and turn them in at the end of class.

Feedbacks and Forecast Uncertainty

Outline

Putting uncertainty into your forecast

Climate feedbacks and climate sensitivity
focus on "cloud feedback"

Assessing climate model reliability
simulation vs prediction
nature of science: expose the weaknesses

Summary of this week
