

## L8. Web ....

**class status:**

**19 persons**

**( 7 off campus, 12 in class )**

**... not checked all home pages yet**

**... homework index ... done**

**off campus may run 3-7 days behind the in-class  
(part delay in posting)**

**next week ... review of reverse engineering,  
(then forward engineering exercise)**

**ejb tutorial ...**

**is that an effective way give programming assignment?**
