Review Session

Saturday @ 1pm

Wean 7500

Pizza will be served!

Rules of the Game

Each person will have a unique number

For each question, I will first give the class time to work out an answer. Then, I will call three different people at random

They must explain the answer to the TAs (who are all the way in the back). If the TAs are satisfied, the class gets points.

If the class gets 1,700 points, then you win
