EGR 261: Chapters 12 - 17 in *Electric Circuits, 9th Edition* by Nilsson

Chapters 1, 2, 4 - 8 in *Linear Signals & Systems, 2nd Edition* by Lathi

Sequence of Electrical/Computer Engineering Courses at TCC

*** Additional course offerings may be available at the Tri-Cities Center**

Changes to Electrical/Computer Engineering Courses at TCC

Due to recent changes at ODU, TCC will make the following changes to the sequence of electrical/computer engineering courses:

- EGR 260-261 will be replaced by EGR 271-272
- EGR 267 will no longer be offered
- No changes to EGR 262 or EGR 270

The changes will be phased in as follows:

- Fall 2013: First time EGR 271 will be offered
Last time EGR 261 will be offered
- Spring 2014: First time EGR 272 will be offered
- See the chart on the following page for additional scheduling information
