

## Suicide and Social Solidarity

- Durkheims Typology of Suicide

- Egoistic; altruistic; anomic; fatalistic

- The Jonestown Murder/Suicide

Social Integration and Durkheims Typology of Suicide

- Too little social integration

- egoistic suicide: too selfish

- Too much social integration

- Altruistic suicide: too selfless.

- Too little social regulation

- Anomic suicide: rapid poverty; Bulgarian suicide wave: rapid wealth:  
suicidal lottery winners

- Too much social regulation

- fatalistic suicide: ex: someone in prison who kills themselves

# Culture and Inequality

09/18/2013

The Social Theory of Bourdieu

-cultural capital: the degree to which someone knows the dominant cultural code

-ex: real housewives rolex watches

-symbolic power

-ideology of personal taste

-“cultural omnivores”- Peterson and Kern
