

09-0: Array Review

- Arrays store a list of objects or primitive types
- Fixed size (can't change size of an array)
- Get the length of the array, get at elements of an array

09-1: Array Review

- On board: What memory looks like for the following:

09-5: 2D Arrays

- We can create 2D arrays as well as 1D arrays
 - Like matrices
- 2D array is really just an array of arrays

09-6: 2D Arrays
