

# Resilient Peer-to-Peer Streaming

Presented by: Yun Teng

The background of the slide is a solid blue color. In the lower right quadrant, there are several faint, concentric white circles that resemble ripples on water, creating a decorative pattern.

# Resilient Peer-to-Peer Streaming

## Authors

- Venkata N. Padmanabhan
- Helen J. Wang
- Philip A. Chou

## From

- Microsoft

# Motivation

- Distributing “live” streaming media content to a potentially large and highly dynamic population of hosts.
  - “Live” streaming refer to the simultaneous distribution of the same content to all clients
