

# Object-Oriented Systems Development: survey of structured methods

---

by A G Sutcliffe

Presented by: Nestor Rivera  
EEL6883 UCF Spring 07

# Introduction

---

- OOD more than OOP.
- Written in 1991.
- Object Oriented Development was not widely accepted.

# Outline

---

- Object Oriented Concepts.
- Evaluation of Modeling Components.
- Evaluation Procedure.
- Object Oriented Methods.
- Review of Object Orientedness of Traditional Software Development Methods.
- Conclusions.
